IN THE SWEETNESS OF
FRIENDSHIP
LET THERE BE LAUGHTER
AND SHARING OF PLEASURES.

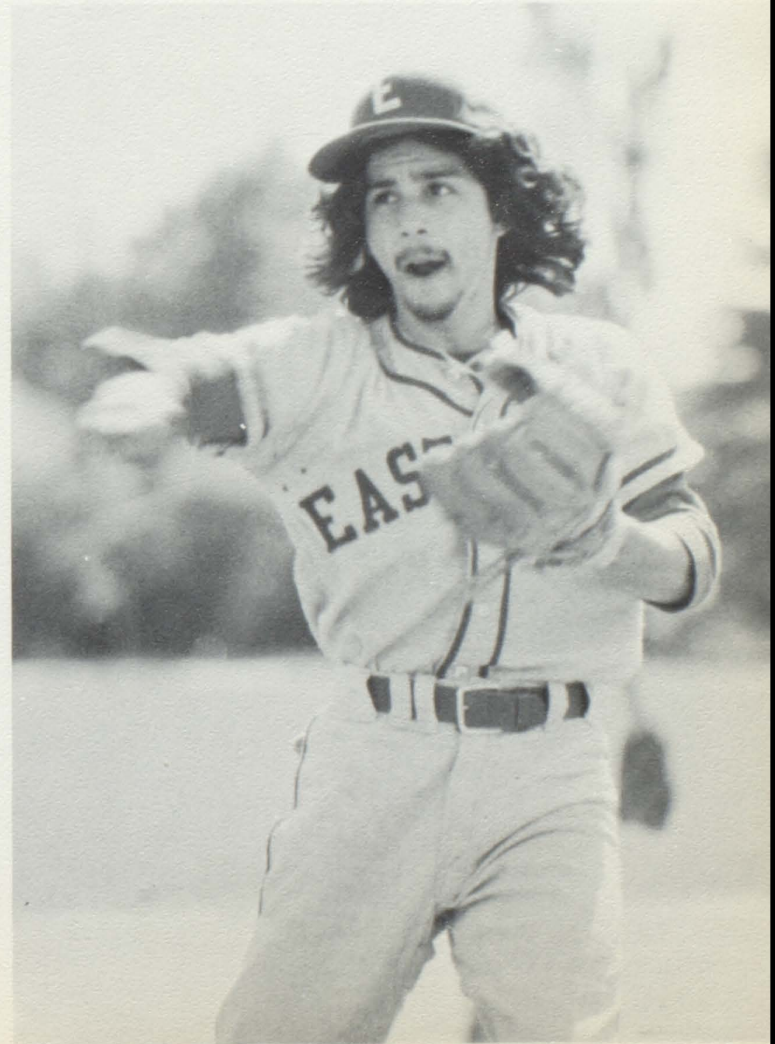

SUCCESS
IS DOING THE BEST YOU CAN.

It's struggling on
 with the will to win
 And taking defeat
 with a cheerful grin.
 It's being true
 to the faith you profess
 And doing your noblest—
 that's success.

sunshine

from themselves.*

REFLECTIONS

A school is a meeting place of minds. Young and immature minds begin to advance in the various areas of learning under the guidance of teachers. These teachers devote the majority of their time to enriching the minds of East Side High School students and the Class of 1975 feels they have achieved their goal. It is to these teachers, as well as to the administrators, guidance personnel, and staff that we owe a debt of gratitude.

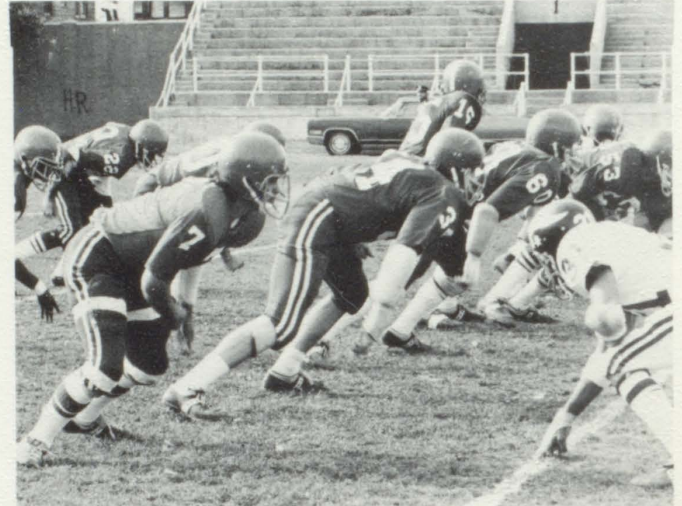

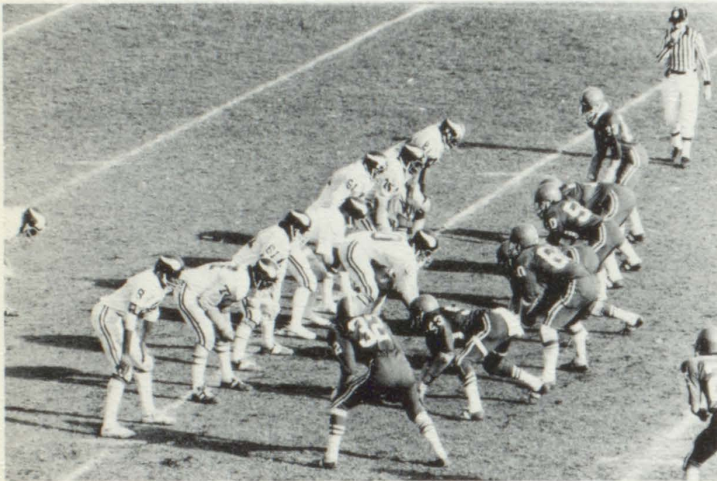

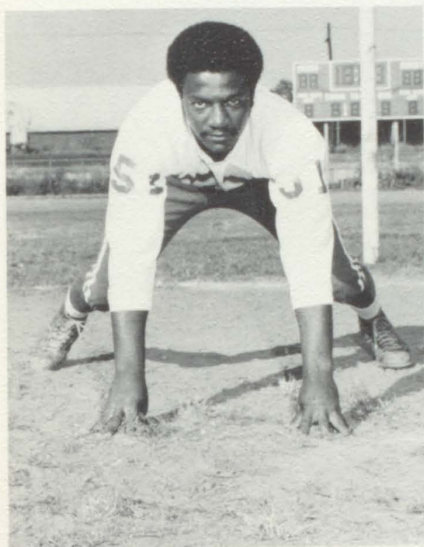

SPORTS

FOOTBALL

Caldwell, guard

La Grasso, back

Graves, safety

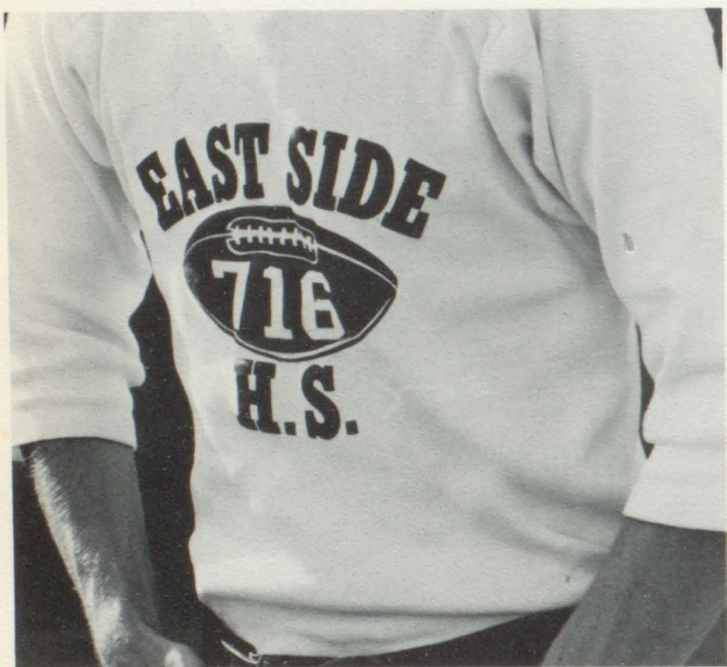

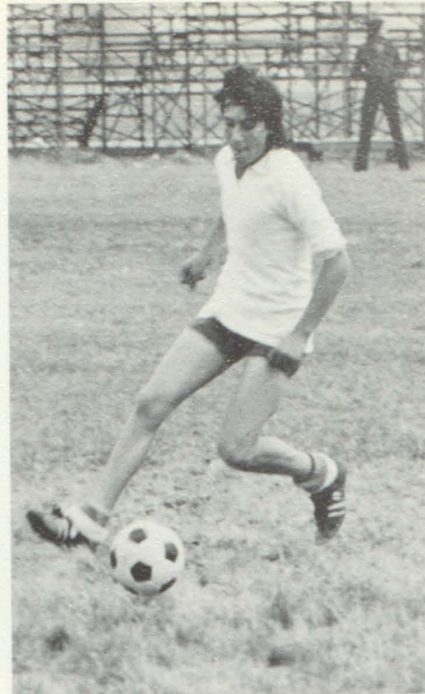

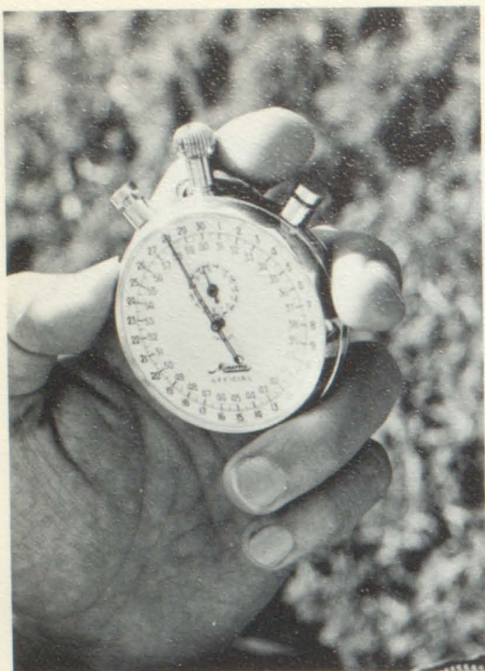

It takes a great deal of courage for an athletic team to rebound from a disastrous start. The 1974 East Side football team did just that. Coach Notte's men, plagued with early season losses, came roaring back and displayed the fighting spirit of past football teams. They never gave up and for that they will be remembered.

Mr. Notte, coach

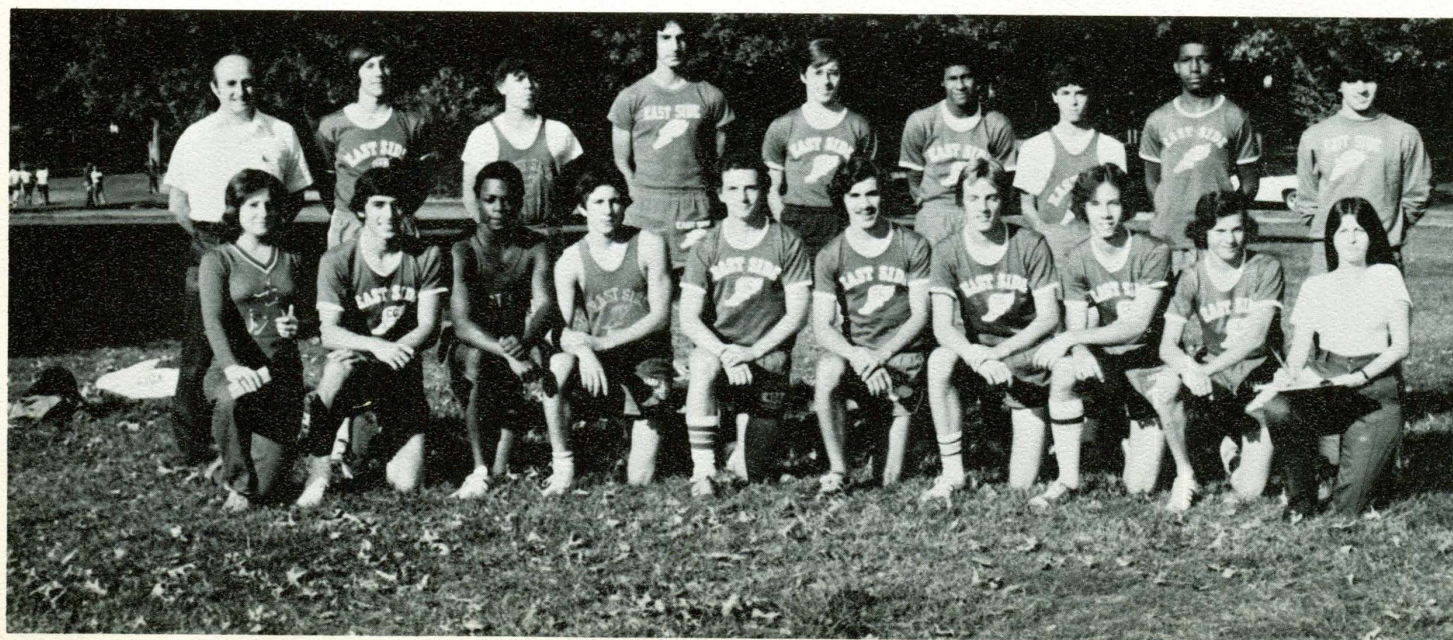

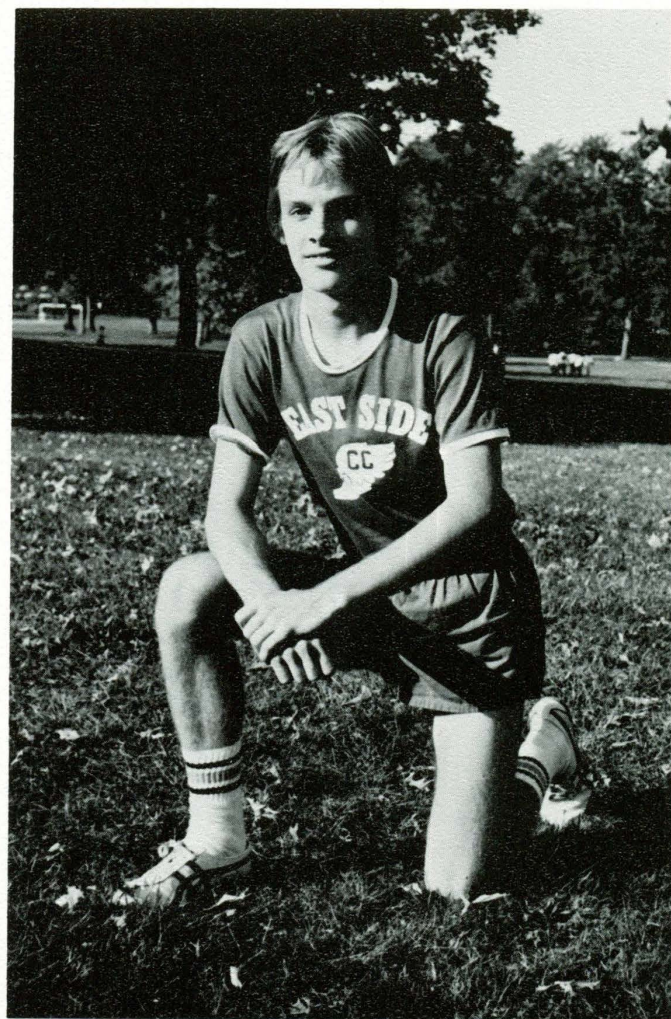

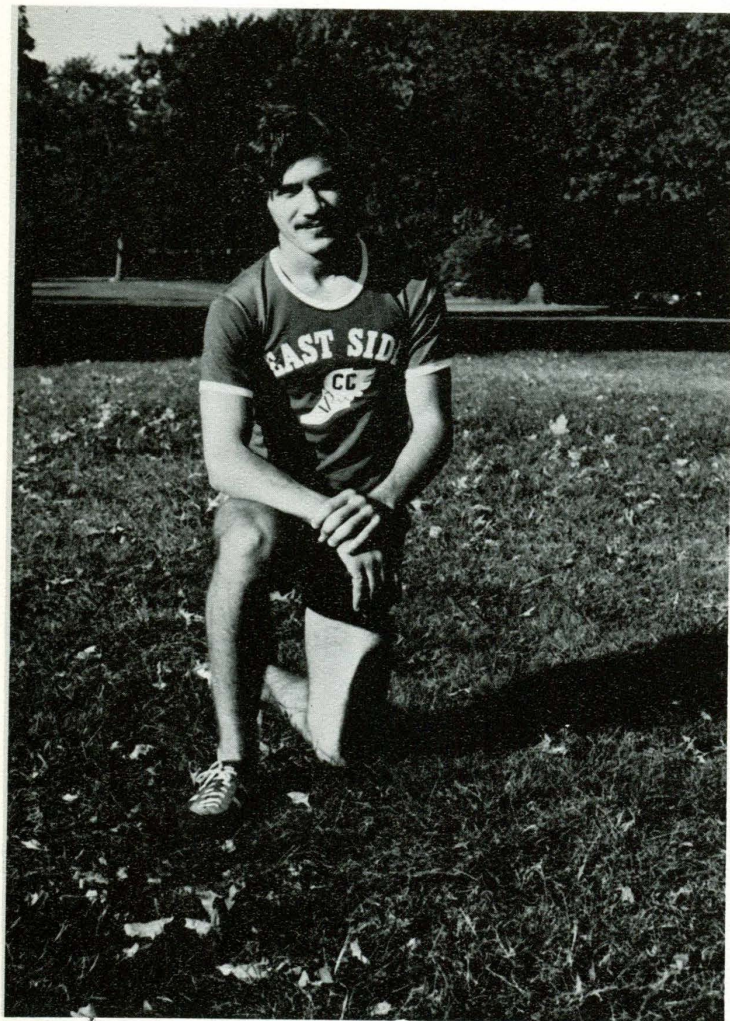

Warren, safety

CROSS COUNTRY

East Side's 1974 Cross Country team, led by Manny Cordeiro and John Uzarski, and coached by Mr. Leonard Chill, scored a number of impressive victories. In a sport which brings out few crowds, the East Side harriers ran for glory and truly gave a splendid accounting of themselves.

SOCCER

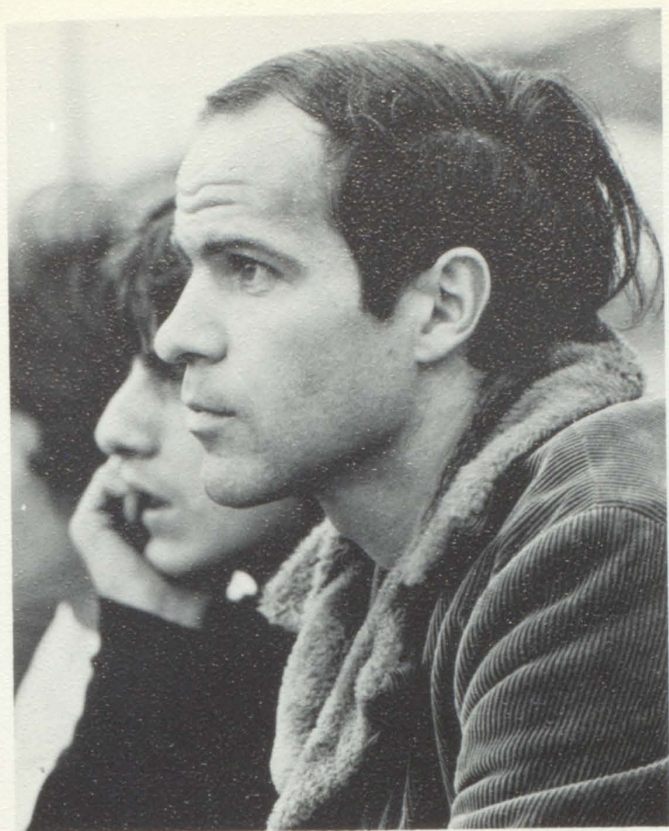

Excellence is a goal of all sports teams. The 1974 East Side soccer team achieved that goal. Mr. Duggan's team again won the city championship and compiled an impressive record. Displaying exceptional ability, the boys carried on the tradition of outstanding East Side soccer teams. Congratulations.

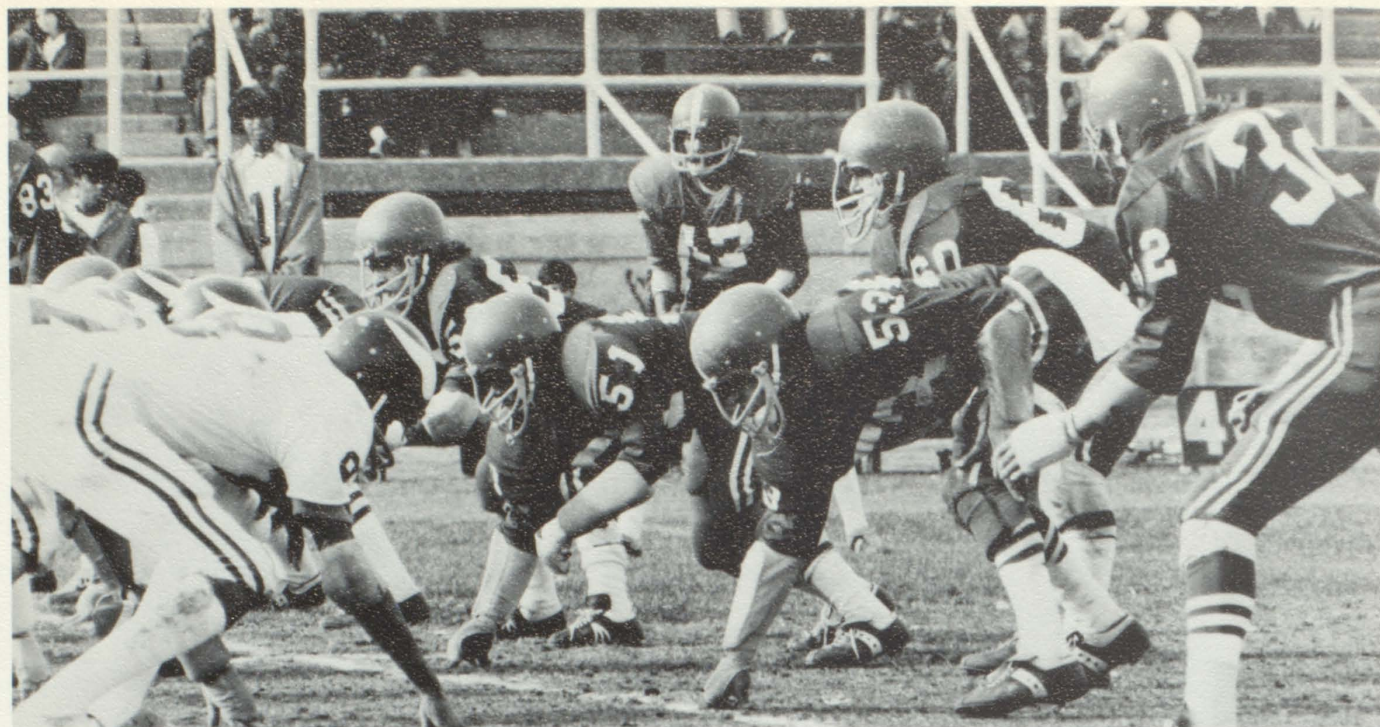

Seniors

Costa Jaggassar Perez

Barreiro de Almeida Erezuma

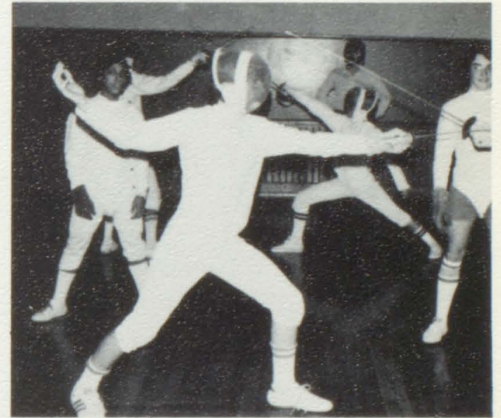

HOCKEY

Coached by Mr. Steve Leonardis, the hockey team did well in conference play. Despite the fact that hockey is a relatively new sport at East Side, our boys held their own against more experienced competition.

FENCING

Mr. Stan Salagaj's Fencing Team continued the winning tradition of East Side teams by winning the city championship. Displaying skill and determination, the fencers enjoyed an outstanding season.

MISS JOSEPHINE GOODE

BASKETBALL

A "pleasant surprise" is the way to describe this year's basketball team. Graduation losses of starters and a new coach could have made this a "transitional" year. But under coach Peter Rubas, the team jelled from the start and began to compile a truly fine record. The result was a third place finish in the always tough City League.

Splashing to their fourth consecutive city championship, the swimming team, coached by Mr. Larry Markowitz, achieved an outstanding record. Brilliant individual performances were combined with team balance for success.

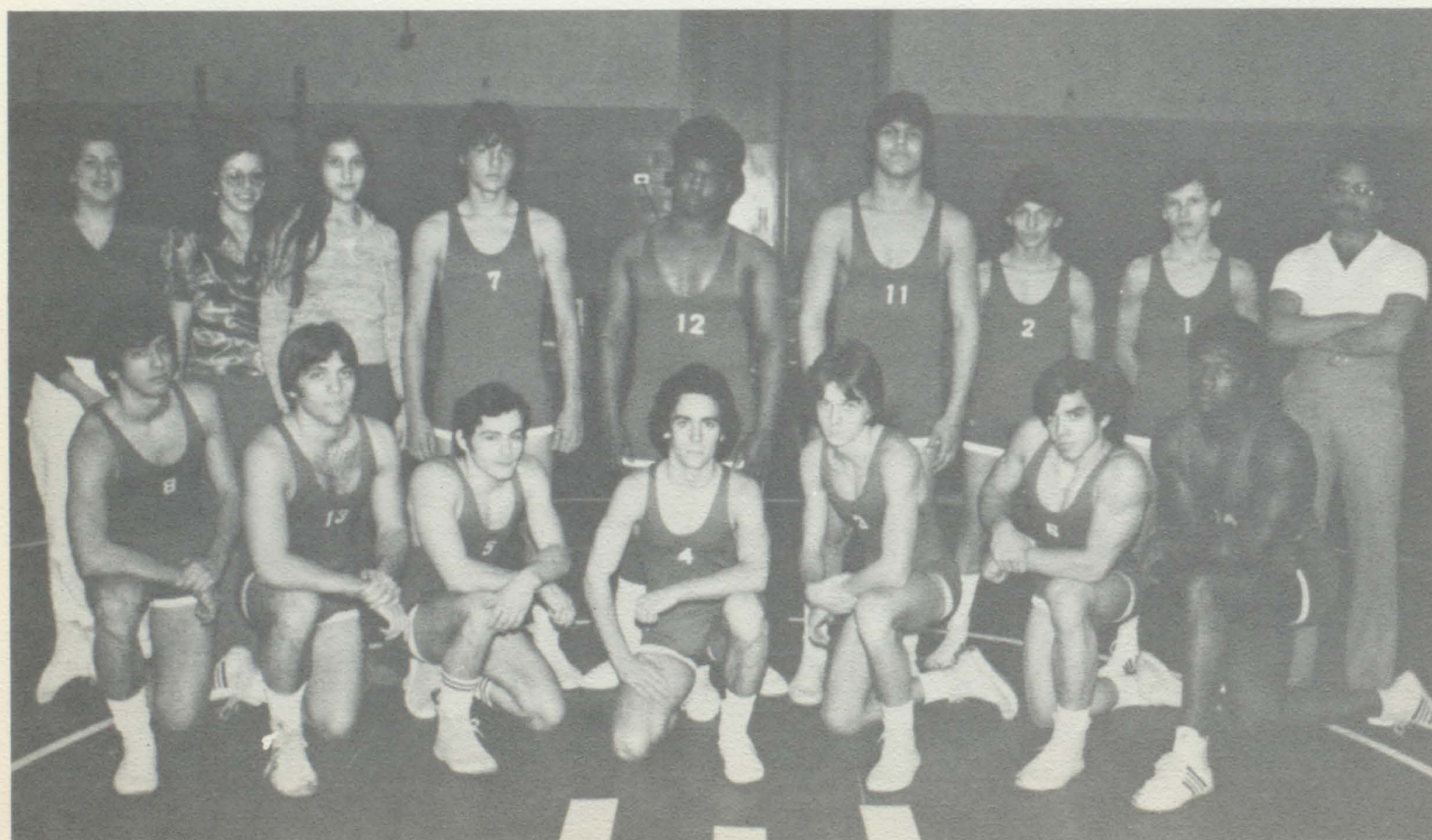

SWIMMING TEAM

WRESTLING

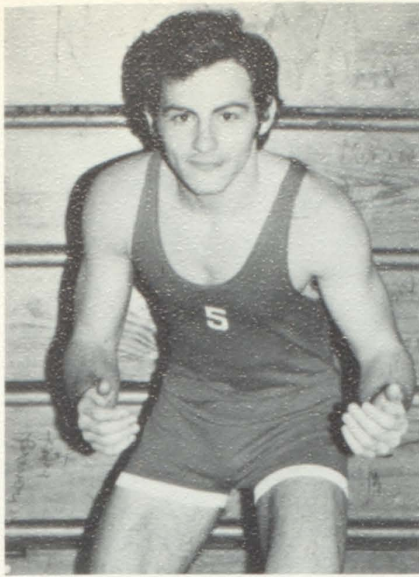

Wrestling at East Side has quickly become one of the most popular sports in school. This year's team, coached by Mr. Cardoso, can be called nothing short of sensational. Through training and conditioning, the wrestlers fashioned an outstanding record, one of the finest records in the state. Our congratulations go to the team.

TENNIS

GOLF

The outstanding success of the Golf Team, coached by Mr. John Petrozzino, can be attributed to dedication and hard work. The season was a highly successful one. Congratulations.

OUTDOOR TRACK

Coach Chill's Outdoor Track Team adopted a never-say-die attitude early in the season. Although overall team success was not as frequent as was hoped for, the trackmen gave 100% effort in all of their meets.

ARNOLD ALMAGUER

BASEBALL

The crack of the bat signaled the start of another baseball season. Coach Jim Queli's players started with high hopes for success. They hit, ran, fielded, and pitched extremely well. We are proud of their efforts.

REFLECTIONS

Being a good sport is sometimes more difficult than being good at sports. East Side's athletes have tried their best to uphold the tradition of good sportsmanship. The Class of 1975 salutes the teams and their coaches for maintaining this tradition.

SENIORS

MR. LEONARD CHILL

SENIOR CLASS ADVISOR

There just aren't enough words to describe what we want to say about Mr. Chill. His easy-going personality has made him easy to talk to. And many of us have had the opportunity to find out that he truly listens. The interest he has displayed in our class also shines through in his teaching. A number of us have enjoyed discovering this in his IR class. He has been the Senior Class's source of energy in all of our sales and in our activities these past two years. His enthusiasm has caused us to take pride in the "Class of '75". Through his determined efforts we have grown, matured, and, most importantly, we have learned. We want to say, "THANKS".

The publication of a yearbook requires the concerted efforts of many people. I gratefully acknowledge the assistance of the following: the entire yearbook staff, for hard work and dedication; Miss Shirley of Lorstan-Thomas and Mr. Roy Innocenti of Paragon Publishers, for professional services; the East Side faculty, for patience and understanding. My special thanks go to Susan Rygiel, Diane Dymnioski, Ana Corbacho, Cindy Pedra, Manny Soares, and Jose Becerra, without whom this book would not have been published.

This publication of the Class of 1975, East Side High School, Newark, New Jersey, is a book of memories. The Torch contains staff, teachers, classmates, and friends, all of whom have affected and influenced the lives of every member of this class. It contains the places and the scenes which became for us Seniors the familiar settings of our daily activities. We cannot, we will not forget these people, these places, and these activities. The 1975 Torch will help us remember.

*You can close your eyes to reality
but not to memories.*
